# UNA EXPRESIÓN UNIVERSAL DE AMOR

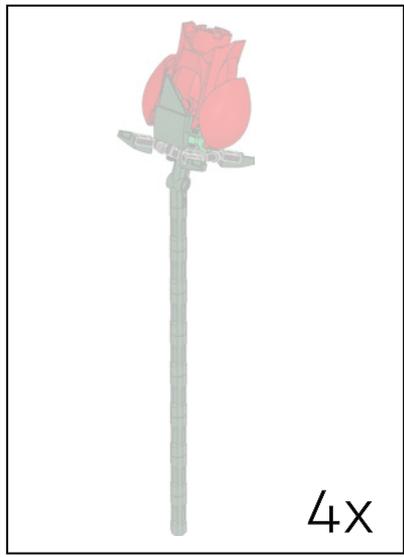

🌹 Hace milenios, se decía que Afrodita, la antigua diosa griega del amor, era tan hermosa que las rosas brotaban a su paso para saludarla. Desde entonces, regalar rosas rojas se considera un símbolo de amor. Con su belleza, delicado aroma y exuberantes pétalos aterciopelados, un regalo que incluya rosas siempre hará sentir apreciada a una persona especial en una primera cita romántica, el Día de San Valentín, en aniversarios, cumpleaños y acontecimientos importantes, así como en momentos compartidos dignos de recordarse.
