„Das ist er! Das Auge.“

- Frodo Beutlin

DER DUNKLE TURM

 In der Trilogie *Der Herr der Ringe* erhalten wir einen ersten Einblick in die Macht von Barad-dûr™, als Frodo Beutlin zufällig den Einen Ring auf seinen Finger steckt. Das Auge der makabren Festung verkörpert den Dunklen Herrscher Sauron™, durchbohrt den schwarzen Himmel von Mordor™ und dringt als Schreckensvision in Frodos Kopf ein. Im Laufe der Jahrhunderte hatte Sauron so sehr an Stärke gewonnen, dass er ganz Mittelerde an sich reißen konnte. Die Macht des Einen Rings sorgte dafür, dass Sauron und somit auch seine Festung unangreifbar blieben, solange der Ring existierte.

Die heldenhaften Hobbits begleiten die Gefährten auf eine zermürende Reise, um den Ring im Herzen von Mordor zu vernichten. Als Samweis Gamdschie Frodo auf dem letzten Stück zu einem Eingang an der Flanke des Schicksalsbergs schleppt, versucht ein verzweifelter Gollum™, die beiden aufzuhalten, und findet letztendlich zusammen mit dem kostbaren Ring im Feuer sein Ende. Barad-dûr, Sauron und seine Armee von Orks werden bei diesem verheerenden Zusammenbruch vernichtet.

Dieses Modell ist dem rätselhaften Monument nachempfunden, bildet bemerkenswerte Details nach und gewährt einen besonderen Einblick in die Ereignisse, die sich hinter den Kulissen von Mordor abgespielt haben.

ANMERKUNGEN DER LEGO® DESIGNGEFÄHRTEN

👁 „Unsere LEGO® Reise nach Mittelerde begann mit einer Reihe von The Lord of the Rings™ und The Hobbit™ Sets, die zwischen 2012 und 2014 herauskamen. Und im Jahr 2023 führten uns die Gefährten mit dem Set 10316 nach Bruchtal. Das ist jetzt das erste Mal, dass wir so tief ins Herz von Mordor™ vordringen, um in das Versteck des Dunklen Herrschers zu blicken. Und zum ersten Mal bringen wir auch Sauron™ als LEGO Minifigur heraus.

Für Fans der Buch- und Filmtrilogie *Der Herr der Ringe* ist Barad-dûr einer der legendärsten Orte in Mittelerde. In den Filmen ist der Turm fast nie in voller Größe zu sehen, und es gibt auch kaum Nahaufnahmen seines Innenlebens. Deshalb haben wir mit verschiedenen Szenen und Ideen herumexperimentiert. Das Modell ist ziemlich groß, weswegen wir es in Segmente aufgeteilt haben, um ein besseres Bauerlebnis zu bieten und das Modell leichter tragen zu können.

Das Modell ist sehr dunkel. Deshalb haben wir farbliche Abstufungen hinzugefügt, um die Illusion zu erzeugen, dass sich Lava spiegeln und das alles sehende Auge Saurons auf der oberen Plattform bewegen würde. Das Modell ist mit diversen Funktionen versehen. Neben aufklappbaren vorderen Toren und einer Drehleiter in der Bibliothek gibt es auch versteckte Räume, überraschende Zubehörelemente und Geheimnisse in dem Dunklen Turm. Hoffentlich werden Fans, die sowohl LEGO Sets als auch *Der Herr der Ringe* lieben, dieses imposante Wahrzeichen von Mordor mit großer Begeisterung erkunden.“

*Antica Bracanov,
LEGO® Senior Model Designer*

DIE SCHMIEDE UND DIE VERLIESE

 Dein LEGO® Barad-dûr™ Modell ist in diverse modulare Etagen aufgeteilt. Im Erdgeschoss kannst du den LEGO Stein-Knauf an der linken Seite des Turms drehen, um das Haupttor zu öffnen oder zu schließen und die Schmiede und die Verliese zu betreten. Die traurigen Überreste eines glücklosen Besuchers hängen düster über der flüssigen Lava und warnen ungebetene Gäste vor dem Schicksal, das sie erwartet, sollten sie den Dunklen Herrscher hintergehen.

Nebenan bereiten Orks die bevorstehende Belagerung von Mittel Erde vor. Schilde, Helme, Werkzeuge, Schulterplatten und Speere werden im Fluss des Feuers, der durch die Verliese des Schicksalsbergs fließt, geschmiedet, geschärft und angepasst.

Am anderen Ende des Verlieses versteckt sich Gollum™ in einer kleinen Höhle. In einer geheimen Nische in der Höhle haust eine Riesenspinne. Es ist nicht bekannt, ob Gollum sie dort hineingesteckt hat, damit sie ihm Gesellschaft leistet. Als die Hobbits das Ziel ihrer Reise erreichen, können sich Frodo Beutlin und Samweis Gamdschie nur deshalb unerkannt durch dieses feindliche Gebiet schleichen, weil Gollum selbst die dunkelsten Ecken von Mordor™ wie seine Westentasche kennt.

*"Worauf wartest du denn noch?
Lass ihn einfach los!"*

- Samweis Gamdschie
